

Moose Specific Information

Definitions

- Antlered Bull - any moose having an antler or antlers of at least four inches in length measured from the top of the skull.
- Antlerless - a female or juvenile male with an antler or antlers less than four inches in length measured from the top of the skull. FWP suggests hunters not take a moose with a calf at side.

Licenses and General Information

- An applicant who receives a moose license is not eligible to apply for or receive another license for moose for the next succeeding 7 years (see reference chart).
- License holders may legally take one moose subject to all specifications on the license issued.
- Hunters harvesting a moose must leave evidence of sex naturally attached to the carcass.

7 Year Wait	
Year Successful	Year May Reapply
2005	2013
2006	2014
2007	2015
2008	2016
2009	2017
2010	2018
2011	2019

SuperTag Lottery for Moose

- Resident and nonresident hunters can buy an unlimited number of \$5 chances to win a Montana hunting license for antelope, bighorn sheep, bison, deer, elk, moose, mountain goat and mountain lion.
- An individual may be successful in winning one or a combination of these SuperTags per year.
- Each SuperTag license allows one to hunt in any Montana hunting district valid for that species.
- Moose, bighorn sheep and mountain goat 7-year waiting period does not apply to SuperTags.
- Chances are sold electronically at all FWP License Providers or via the Internet.
- Proceeds from the sale of SuperTag chances will enhance public hunting access and boost FWP enforcement efforts.
- For more information visit FWP's website at fwp.mt.gov.

Moose License Auction

- Legislation authorizes the Fish, Wildlife & Parks Commission to provide for the auction of a moose license each year. This license authorizes the hunter to take an antlered bull moose in any district of his/her choice. This license is not a part of the seasons proposed and if this license holder is successful, the moose will not be counted against the district quota. This license holder may hunt only in areas open to moose hunting.
- The auction is held annually during the winter by a conservation organization that is preselected by the FWP Commission.
- Hunting is authorized for the next hunting season, not the current years' hunting season.
- Money raised through the license auction is used for management of moose.

Moose HD Regulations

Residents are eligible to apply for any of the following licenses. Nonresidents are restricted to certain districts. Nonresidents are limited to, but not guaranteed 10 percent of a region's quota. **Districts where nonresidents may apply are listed on the moose, bighorn sheep, mountain goat nonresident application, but may change when final quotas are set in June.**
